

DISCIPLINE PROCEDURE

The FDP Institute (“FDPI”) Discipline Procedures (the “Discipline Procedures”) shall apply to each FDPI community Charterholder, including Candidates for the FDPI charter (“Charterholders and Candidates”), without exception. These Discipline Procedures may be modified from time to time by FDPI in its sole discretion.

A. Preliminary Matters

1. **Discipline Officer.** FDPI's discipline officer (the “Discipline Officer”) shall be appointed by the CEO of CAIA Association (the “CEO”) to oversee and administer these Discipline Procedures. The Discipline Officer may delegate their responsibilities under these Discipline Procedures. There may be different Discipline Officers appointed to oversee and administer these Discipline Procedures for Charterholder conduct and for Candidate conduct.

2. **Confidentiality.** Except as otherwise provided in these Disciplinary Procedures, all proceedings conducted pursuant to these Disciplinary Procedures shall be confidential and the records of FDPI shall remain confidential and shall not be made public. FDPI may release the records related to these Disciplinary Procedures, subject to privilege, if: (i) the Charterholder/Candidate has waived confidentiality; (ii) disclosure is required by a court of law, a governmental agency, or an industry self-regulatory organization having appropriate jurisdiction; or (iii) FDPI, in its sole discretion, desires to provide the information to a governmental agency or industry self-regulatory organization.

3. **Action by FDPI.** Nothing in these Discipline Procedures shall prevent FDPI from exercising or pursuing any legal or equitable remedies that it may have against a Charterholder/Candidate.

4. **Waiver of Right by Charterholder/Candidate to Pursue Legal or Equitable Action.** Nothing in these Discipline Procedures shall give a Charterholder/Candidate any right to appeal action by FDPI under these Discipline Procedures to any regulatory body, legislative body, or court. Each Charterholder/Candidate specifically waives any right to pursue any legal or equitable remedy against FDPI, its officers, directors, employees, agents, and representatives, with respect to any aspect of these Discipline Procedures or their outcomes.

5. **Report to Board.** The Discipline Officer shall report to CAIA Association’s CEO on an annual basis regarding activity related to these Discipline Procedures, including as appropriate commentary on pending, resolved, and dismissed matters. This report may be provided orally and shall be subject to the confidentiality requirements of these Discipline Procedures.

B. Receipt of Complaints

1. The FDPI Discipline Officer shall receive complaints alleging any act or omission by a Charterholder/Candidate that potentially: (i) violates the FDPI Code of Ethics; (ii) violates a law or regulation; (iii) is a basis for suspension of a professional license; (iv) violates the Candidate Policy Manual; and/or (v) violates other FDPI policies, including but not limited to these Discipline Procedures, the Charterholder Policy Manual, the Candidate and Charterholder Agreement, and/or the Intellectual Property Policy (collectively referred to as a “Potential Violation”).

DISCIPLINE PROCEDURE

2. Investigations may be commenced upon: (a) receipt of information indicating a Potential Violation; or (b) disclosure and/or self-disclosure by a Charterholder/Candidate of any matter constituting a Potential Violation.

3. Upon receipt of information indicating a Potential Violation, the Discipline Officer may refer the information to legal counsel to review the allegations and determine if further investigation is warranted. If legal counsel concludes that no investigation is warranted, the Discipline Office may elect to take no further action.

4. Complaints may be submitted confidentially through electronic means at misconduct@fdpinstitute.org.

C. Powers of Discipline Officer to Investigate Conduct

1. The Discipline Officer, in their sole discretion, may give written notice to the Charterholder/Candidate that the Charterholder/Candidate is under investigation.

2. The Discipline Officer may deem a Charterholder/Candidate suspended during an investigation, during which time FDPI may terminate said Charterholder /Candidate access to the FDP website (“Temporary Suspension”). A Temporary Suspension will remain in effect until the investigation is concluded, or until the Discipline Officer deems that the suspension has been lifted. The Temporary Suspension will be confidential and, during this period, a Charterholder /Candidate: (i) shall terminate any use of the FDP marks and, in particular, shall not use them in any advertising, website, announcement, letterhead, social media, or business card; (ii) shall not attend FDPI events; (iii) shall not represent themselves as a Charterholder of FDPI; and (iv) shall be deemed to have immediately resigned from any positions they may have held with FDPI and any of its affiliates.

3. The Discipline Officer may gather information to inform the matters that are the subject of the investigation, with or without notice to the Charterholder/Candidate that is under investigation.

4. The Discipline Officer may contact the Charterholder/Candidate to request such additional information regarding the investigation as the Discipline Officer deems necessary or appropriate in their sole discretion. The Charterholder/Candidate shall promptly provide all information requested by the Discipline Officer. The Discipline Officer shall specify the period of time in which the Charterholder/Candidate shall have in which to provide the requested information. In no event, however, shall a response from a Charterholder/Candidate be required in fewer than ten (10) business days.

5. If no response has been received from the Charterholder/Candidate at the expiration of the time period for provision of such information as specified by the Discipline Officer, the Discipline Officer shall give written notice of a second request for information via registered mail to the address for the Charterholder/Candidate that is on file with FDPI. The Discipline Officer may demand an immediate response by the Charterholder/Candidate to this second request for information.

DISCIPLINE PROCEDURE

6. Failure to provide any or all the information requested by the Discipline Officer may give rise to an adverse inference with respect to the matters that are the subject of the investigation. An adverse inference is a legal inference, adverse to the Charterholder/Candidate, drawn from silence or the absence of requested information. In the event that there is an adverse inference, FDPI may conclude that exculpatory evidence to the Charterholder/Candidate would have been provided if it existed and, therefore, the Charterholder/Candidate is subject to discipline.

D. Determination of Charterholder Violation, Forms of Discipline, and Notice to Charterholder

1. The Discipline Officer and/or the CEO of CAIA Association shall be responsible for determining if there are facts and circumstances that warrant discipline of the Charterholder.

2. The Discipline Officer and/or the CEO of CAIA Association may: (a) determine based on information gathered during the investigation that no further investigation is necessary; or (b) issue a letter of caution to the Charterholder indicating that the Charterholder's conduct may have violated the FDPI Code of Ethics, a law or regulation, and/or other FDPI policies but does not warrant further action.

- a. For matters that do not result in a finding of a violation, FDPI reserves the right to reopen the investigation at any time in FDPI's sole discretion. In addition, in the event that additional or different information subsequently becomes available indicating a potential violation of the FDPI Code of Ethics, a law or regulation, and/or other FDPI policies, FDPI may consider the information gathered during the earlier investigation in considering whether to discipline the Charterholder.
- b. When a letter of caution is issued, the Charterholder may submit a letter in response to the letter of caution. The response letter will become part the Charterholder's record but will not receive any additional consideration from the Discipline Officer or the CEO of CAIA Association. In addition, in the event that additional or different information subsequently becomes available indicating a potential violation of the FDPI Code of Ethics, a law or regulation, and/or other FDPI policies, FDPI may consider the information gathered during the earlier investigation in considering whether to discipline the Charterholder.

3. In the event that an investigation results in a finding that there was a violation of the FDPI Code of Ethics, a law or regulation, and/or other FDPI policies, the Discipline Officer and CEO of CAIA Association may, on behalf of FDPI, take any or all of the following actions:

- a. Private Censure. Privately censure the Charterholder by sending an unpublished written letter of reproach from FDPI. FDPI may announce the facts surrounding the Private Censure in FDPI's Charterholder newsletter, website, or in any other manner that FDPI deems appropriate, but will not identify the Charterholder by name.
- b. Public Letter of Admonition. Issue a Public Letter of Admonition from FDPI describing and admonishing the Charterholder's behavior. FDPI may publish the facts surrounding

DISCIPLINE PROCEDURE

- c. Suspension. Order suspension of the Charterholder's FDPI Charterholder status for a specified period of time, not to exceed five years. In the event of a suspension, FDPI may publish the facts surrounding the suspension, the fact of the suspension, the grounds for the suspension, and identify the Charterholder in FDPI's Charterholder newsletter, website, or in any other manner that FDPI deems appropriate.

During the period of suspension, a Charterholder: (i) shall terminate any use of the FDPI marks and, in particular, shall not use them in any advertising, website, announcement, letterhead, social media, or business card; (ii) shall not attend FDPI Charterholder and open events; (iii) shall not represent themselves as a Charterholder of FDPI; and (iv) shall be deemed to have immediately resigned from any positions the Charterholder may have held with FDPI and any affiliates.

The Discipline Officer and CEO of CAIA Association are authorized to take any other action they deem reasonably appropriate under the circumstances to effectuate the Charterholder's suspension.

A Charterholder who has been suspended may apply to be reinstated upon the expiration of the period of suspension. In connection with this application, the Charterholder shall demonstrate that the Charterholder has complied with their suspension and that the Charterholder is fit to use the FDPI marks. Following receipt of the application for reinstatement, the Discipline Officer, or their designee, will initiate an investigation. The Charterholder shall cooperate in any such investigation. The Charterholder may be required to provide FDPI with evidence that: (i) the Charterholder has maintained competence and learning in the area of data science during the suspension period; (ii) the Charterholder's professional conduct during the suspension has not violated the FDPI Code of Ethics, a law or regulation, and/or other FDPI policies; and (iii) any other information FDPI requests as a condition of reinstatement. If the Charterholder is denied reinstatement, the Charterholder may reapply for reinstatement one year after any such denial.

- d. Revocation. Order permanent revocation of a Charterholder's status. In the event of a revocation, FDPI may publish the facts surrounding the revocation, the fact of the revocation, the grounds for the revocation, and identify the Charterholder in FDPI's Charterholder newsletter, website, or in any other manner that FDPI deems appropriate.

immediately resigned from any positions the Charterholder may have held with FDPI and any affiliates.

The Discipline Officer and CEO of CAIA Association are authorized to take any other action they deem reasonably appropriate under the circumstances to effectuate the revocation of Charterholder status.

Revocation shall be permanent, and there shall be no opportunity for reinstatement.

4. **Notice of Findings.** In cases where FDPI has determined that it will issue a Public Letter of Admonition, Suspension, or Revocation due to a violation of the FDPI Code of Ethics, a law or regulation, and/or other FDPI policies, the Discipline Officer and/or the CEO of CAIA Association shall cause FDPI to issue by electronic mail (if available) and express mail a notice on behalf of FDPI setting forth FDPI's findings and the discipline to be imposed (the "Notice of Findings"). The Notice of Findings shall reasonably set forth the grounds for discipline and the conduct or omission that gave rise to the discipline. Except in cases of automatic suspension as specified in Section E.2 and E.3 below, the Notice of Findings shall inform the Charterholder that the discipline will be tolled during the period available for the Charterholder to appeal. If, at the expiration of the time to appeal, the Charterholder has failed to file an appeal to the Notice of Findings, the discipline of the Charterholder set forth in the Notice of Findings shall become effective immediately.

5. In all cases, the Discipline Officer and the CEO of CAIA Association shall have the right to require the Charterholder to complete additional continuing education or other remedial work. Such continuing education or remedial work may be ordered instead of, or in addition to, any discipline of the Charterholder.

E. Appeal by Charterholder of Notice of Findings

1. In cases where FDPI has provided a Notice of Findings, a Charterholder may submit a written appeal of the Notice of Findings within thirty (30) calendar days of the Notice of Findings.

2. Although discipline set forth in the Notice of Findings ordinarily shall be suspended during the time for an appeal, when the Discipline Officer and CEO of CAIA Association determine, in their sole discretion, that there is evidence that a Charterholder has engaged in conduct: (a) that poses an immediate threat to the public; and/or (b) the gravity of the conduct significantly impinges upon the stature and reputation of the FDPI marks and FDPI, the Discipline Officer and CEO of CAIA Association may suspend the Charterholder's right to use the marks during the appeal.

3. Although discipline set forth in the Notice of Findings ordinarily shall be suspended during the time for an appeal, an interim suspension shall immediately be issued without conclusion of an appeal when the Discipline Officer and CEO of CAIA Association receive evidence of a conviction or professional discipline with regard to any of the following conduct:

- a. Felony conviction for any crime;

DISCIPLINE PROCEDURE

- b. Misdemeanor conviction for fraud, misrepresentation, or crimes of moral turpitude (fraud, lying, cheating, stealing, or other dishonest conduct); or
 - c. Revocation or suspension of a professional license or registration (e.g., securities, investment adviser, insurance, accounting or bank-related license) unless the revocation or suspension is administrative in nature, i.e., the result of the individual determining to not renew the license by not paying the required fee and/or not completing the required continuing education.
 4. A Charterholder may request an extension of time to file an appeal, which the Discipline Officer or CEO of CAIA Association, or their designee, may grant in their sole discretion.
 5. A Charterholder may request copies of all documents relevant to the investigation and/or Notice of Findings that are not privileged or do not constitute attorney work product. The Discipline Officer or CEO of CAIA Association may grant or deny this request in their sole discretion. Requests for copies of such documents must be made to FDPI's Discipline Officer, or their designee, as specified in the Notice of Findings. The Charterholder shall agree that the release of such information will be only for purposes of the appeal.
 6. All appeals shall be in writing and submitted to FDPI's Discipline Officer, or their designee, as specified in the Notice of Findings. In the appeal, the Charterholder may respond to every material finding contained in the Notice of Findings. In addition, the Charterholder may set forth any defenses or mitigating circumstances.
 7. Three persons shall be appointed by FDPI's CEO of CAIA Association to consider the Charterholder's appeal of the Notice of Findings (the "Board of Appeals"). The Board of Appeals may be comprised of employees and/or Charterholders of FDPI, in the CEO of CAIA Association's sole discretion. Nothing in these Discipline Procedures shall prohibit the CEO of CAIA Association and/or the Discipline Officer from serving as a Charterholder of the Board of Appeals. The Board of Appeals shall adhere to the confidentiality requirements of these Discipline Procedures.
 8. The Board of Appeals may hold a hearing on the appeal of the Notice of Findings. The Board of Appeals may permit the Charterholder to attend any such hearing. Such a hearing may be held in person or by telephone or videoconference, in the sole discretion of the Board of Appeals. The Board of Appeals will determine the agenda and duration of any hearing, as well as who may attend the hearing.
 9. After appeal and any hearing on the appeal, the Board of Appeals shall issue a Final Decision regarding the appeal of the Notice of Findings that may authorize the issuance of a Public Letter of Admonition, Suspension, or Revocation as provided in Section D of these Discipline Procedures. The Board of Appeals shall cause FDPI to issue by electronic mail (if available) and express mail a notice on behalf of FDPI setting forth the Final Decision.

 - a. Private Censure. Privately censure the Candidate by sending an unpublished written letter of reproach from FDPI. In cases where FDPI has determined that it will issue discipline to a Candidate under these Discipline Procedures, the Discipline Officer and/or the CEO of CAIA Association shall cause FDPI to issue by electronic mail (if available) and express mail a notice on behalf of FDPI setting forth FDPI's findings and the discipline to be imposed (the "Notice of Discipline"). The Notice of Discipline shall reasonably set forth the grounds for discipline and the conduct or omission that gave rise to the discipline.
